

May 20, 2009

Dear All Saints Families,

It's hard to believe our school year is coming to a close. Each year seems to past more quickly than the previous. We have been blessed this year with tremendous growth in academic successes, athletic successes, and overall student achievements. Even our enrollment has grown, just graduating our biggest class ever.

As a direct result of our continued growth, I have some exciting changes to share with you as our school administrative team has expanded to three. I, along with Dr. Bragg, are thrilled to announce that Mrs. Dana Wade will be the assistant principal in charge of student services. Dr. Bragg will be the assistant principal in charge of operations. We will publish our specific responsibilities to you as a community after we further define them this summer. We all feel that these changes will have a positive impact on our school and allow us to address our growing needs.

Each year, I challenge teachers to find ways to "re-energize" and stay excited about teaching. Some have decided that to do so they need a change. With that said, the following changes have occurred. Mrs. Ozeroglu will be teaching second grade next year. Mrs. Cox will teach fifth grade. Mr. Lang will be teaching third grade and Mrs. Black will be teaching first grade.

Mrs. Sullivan and Mr. Hicks will not be returning to All Saints next year. This summer, I will be hiring a new Jr. High religion teacher, second grade teacher, Pre-kindergarten teacher and computer teacher. I am confident that these changes and the hiring of new teachers will give us one of the strongest teaching staffs ever.

On a final note, we will begin our gym construction in the next couple of weeks. The official groundbreaking will be Sunday, June 7th at 3:30. Please make plans to join us and celebrate an event that has been 10 years in the making! Thank you, thank you, thank you for supporting our gym project.

As the students leave for another summer break, know that we will be here for you. We will continue to pray for each of you. Enjoy the summer, stay safe and we'll see you in August.

May God Bless You,
