The Halloween Carnival committee would like to thank all the volunteers who helped with the games, planning, donations, and set up/clean up. A big thank you to all the teachers who helped in Sunflower Hall with the food. It was great event and we appreciate all the positive feedback we have received. Thank you to all those who attended and made the carnival a success this year, bringing in about \$6,000 for PTO.

Turkey Bingo Night is November 17th in Sunflower Hall. PTO will hold a general meeting, followed by bingo with the ASCS Athletic Department. More information will come next week.

Science Fair Judges Needed! All Saints needs approximately 40 science fair judges for the upcoming fair December 2nd-4th . Judging will be held on Thursday, December 3rd from 8:30 a.m. - 2:00 p.m. in Sunflower Hall. Not available all day? Shifts of just an hour or two are available. Each year there are approximately 250 projects, each of which has to be judged twice. Judges are paired together with another judge, and they review the board and interview the student. No experience is necessary. Science backgrounds are helpful for older grades, but judges from all walks of life are desired. Please contact Theresa Bragg if you are interested.

The Christmas Program is scheduled for December 16th at Norman North High School at 6:30. More details to come later.

If you are planning to be a coach or an assistant coach of an All Saints sports team, you must have a completed Safe Environment file. This will include watching the Safe Environment video, signing a Code of Conduct, completing a volunteer application and reference check, and submitting an online application for a background check with the Archdiocese. Please call the office to ensure that your file is up-to-date or if you have any questions.

Have a great weekend!
