Only 5 days left to vote for All Saints!

Help our school win \$100,000!!! U.S. Cellular is giving \$100,000 to the ten schools around the country with the most online votes. To vote, visit any U.S. Cellular store anywhere in the country and ask for voting code cards. No purchase is necessary. Then, log onto their web-site (directions are on the card) and vote for our school using the code on the back of the card they provided (our zip code is 73072). Each code can be used only once, and it takes only about 3 minutes. Their rules state that each person over 18 can vote only one time—so, **ask your family members, friends, neighbors and co-workers to get a code and vote for All Saints!**

We can do this! Let's work together to finish our gym!
