We appreciate everyone's efforts to keep our students safe and our parking lot procedures running smoothly.

Some reminders:

*Please turn right when exiting our parking lot during morning drop-off time.

*During afternoon dismissal, students may not proceed to their cars from the curb after the cars have been signaled to begin moving.

*If a student did not proceed to their car at the appropriate time, parents must circle around the parking lot and enter the line again to pick up that student. Students will not be sent to cars in the handicapped areas or other parking spots. This policy is outlined on page 18 of our student handbook.

*When needing to enter the building, please park only in designated areas, or use the gravel drive.

Thank you!
